**TRIMEC Flow Products**

Trimec Flow Products Pty Ltd is the sole distributor and manufacturer of the Trimec-FP MP Series Flow Meters MP015, MP020, MP025, MP040 and MP050 ("the Products") and holds all intellectual property rights in relation to the products including the right to use the trademark "Trimec" in all of the products

It is often the case that products of high quality that are distributed, manufactured and sold under well known trademarks are reproduced or copied. Trimec Flow products Pty Ltd is aware that there has been reproduction and copying of the Products.

Purchasers should be aware that Products produced by Trimec Flow Products Pty Ltd are the original and of the highest quality. Other distributors or manufacturers of the Products are doing so without the consent or licence of Trimec Flow Products Pty Ltd.

The Trimec-FP info webpage offers various technical and pertinent details in regards to our product lines, which are very useful.

Trimec Flow Products looks back at 2014 with satisfaction. We have been successful in increasing our distributors in various parts of the world, thus increased coverage. Sales have been good with a slight increase over last year. We trust that the lower Australian dollar is assisting Trimec-FP to increase the sales in the overseas markets.

We look forward to an exciting new year and hope to introduce some new innovations during 2015.

Trimec Flow Products  
will remain open until  
**2pm on Friday 19<sup>th</sup> December 2014**  
And will resume again on  
**Monday 5<sup>th</sup> January 2015**

*Trimec-FP wishes you and your families a very Merry Christmas and all the best wishes for the coming year.*

*We would like to thank you all for your support during the year.*

*Best wishes & many thanks from all at Trimec-FP and, we look forward to working with you in the New Year.*
